Are you interested in registering for commercial installations?

Yes or No

How did you hear about this program?

1. Benefits

- Independent validation of your skills and knowledge
- Improved credibility as a qualified professional installer
- Increased exposure through DreamLine Dealer Locator
- Use of the DreamLine Certified Installer logo and marketing materials
- Free installation leads in your chosen area of service
- Priority service in DreamLine Technical Support with CI assigned number
- DreamLine Certified Installer logo can be displayed at your place of business
- Early access to new product release information and updates on installation processes and practices
- Access to company Newsletter and webinars at no charge

2. Eligibility Requirements for Certified Installer

- Must be at least 18 years of age
- Must have at least three years of general contracting, or installation experience
- Installers with less than three years of experience may still participate in the program as an Apprentice Installer, but will not receive actual certification
- Must have a valid state license for installation services or be employed by a fully certified and licensed company
- Installers must be able to move or lift up to 70 Lbs

3. Liability Statement

The Installation Certification Program developed by DreamLine provides general education and training in connection with the installation of DreamLine products. This program cannot anticipate all physical and factual situations, which can only be gained through professional experience and judgment. DreamLine does not guarantee, warrant or endorse the methods, procedures and manner of work/services described or referred to in the educational and training materials, or any work or services performed by any individual person or business; all warranties are expressly excluded. Neither DreamLine nor its officers, directors, members, employees, instructors or agents shall be liable for any loss, damage or claim with respect to any work or services performed, whether or not it is based on the training and education programs. All such liabilities, including special, indirect or consequential damages, are expressly disclaimed and excluded.
